Biology faculty members
1:00-1:50	GODF 102	Anthropology	Finding Balance and Health	Finding Balance & Health. Stress management, time management, health & wellness	Conversation	Second Year, Junior, Senior, Current Majors/Minors.	Leslie Williams, Nancy Krusko, Kylie Quave
1:00-1:50	Library	Liberal Arts in Practice, Library	Liberal Arts in Practice and Networking	Stop at the library between 11:30 and 2:00 to meet with LAPC Career Peer Advisors! They'll be ready to share online resources which are useful for internship and job searching. They can also show how to schedule appointments with LAPC staff. Browse the display of library books you can check out about college majors, jobs in various fields, study abroad, internships, test prep, grad school, etc.		First year, Second Year, Junior, Senior.	
1:00-1:50	MI 207	All	Aspiring Beyond Beloit	<b>Learning (how) to #FAIL</b> How do you cope with failure? How is failure both completely normal (and indeed essential!) for learning both in and out of the classroom? This panel features faculty and staff talking about times in their lives when they failed at something - school, careers, relationships; how they dealt with that failure; and how failing changed their perspectives and outlook on the future.	Panel Discussion	First year, Second Year, Junior, Senior.	Lisl Walsh
1:00-1:50	MI 213	Education and Youth Studies	Planning Your Curriculum	Impacting Youth for a Positive Future: the power of an Education and Youth Studies major. Learn about the three EDYS tracks and	Presentation	First year, Second Year, Junior, Senior, Prospective Majors/Minors,	William New, Sonja Darlington

				opportunities for putting your learning into practice.		Current Majors/Minors.	
1:00-1:50	Mathers (Pearsons)	Critical Identity Studies	Aspiring Beyond Beloit	For Seniors Only -- Planning for life beyond Beloit.	Conversation	Senior, Current Majors/Minors.	Catherine Orr and Courtney Patterson
1:00-1:50	Richardson, MI 113	Economics	Liberal Arts in Practice and Networking	<b>Lunch and Endowed Internship Presentations.</b> Students who received money for a summer internship will discuss their internship experience.	Presentation	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors.	Laura Grube
1:00-1:50	SC 201	Residential Life	Finding Balance and Health	As a student taking care of self often gets overlooked with the stack of papers to write and pages to read. Come to learn about the 8 dimensions of wellness while learning and conducting some self massage!	Workshop	First year, Second Year, Junior, Senior.	Kimmarie Giebel
1:00-1:50	SC 202	Physics and Astronomy, Engineering (3:2)	Liberal Arts in Practice and Networking	<b>Physics &amp; Engineering REU / Summer Internship Workshop</b> Bring your laptop! Learn how to search for (paid!) summer internships, and get started building a strong application, including a cv/resume, personal essay, and letters of recommendation. This workshop runs from 1-3pm. Come for both hours, or just one, as your schedule permits.	Workshop	Second Year, Junior, Senior, Current Majors/Minors.	Britt Scharringhausen
1:00-1:50	SC 240 (Psychology Commons)	Psychology	Planning Your Curriculum	<b>Cookies, Cakes, Conversations, and a Cuppa</b>  Join psychology faculty and students for a BAKE OFF! Learn about the psychology major while sampling delicious desserts and 70 varieties of tea. (This event starts promptly at 1:00 and flows into a panel discussion at 1:30. See description of "Planning Now for Work and Study after Beloit.")	Conversation	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors.	Larry White
1:00-1:50	SC 302	Learning Enrichment and Disability Services	Finding Balance and Health	Finding Balance and Health: <b>Time Management for Academic Success.</b> Tick! Tock! Hear the Clock! Does it feel like you're always out of time? Can't seem to find balance? Come hear other students' methods for success and receive hands on help during this time management panel hosted by Learning Enrichment and Disability Services. Panelists include students with various activities and disciplines.	Panel Discussion	Everyone is welcome!, First year, Second Year, Junior.	Amelia Green
1:00-1:50	SC 340: Biology computer lab	Biology, Biochemistry	Planning Your Curriculum	Submit requests for enrollment in Biometrics, Advanced Microbiology, Evolution ( <b>required for all of these courses</b> ), create Advising MAP ( <b>required for declared Biology majors</b> )	Conversation	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors.	Amy Briggs, Ted Gries, Jim Schulte, Ken Yasukawa
1:00-1:50	SC 349	Health and	Liberal Arts	Information session re: study	Conversation	First year,	Greg Buchanan,

		Society	in Practice and Networking	abroad, internships, and research experience		Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors.	Laura Parmentier
1:00-1:50	SC 414	Chemistry, Biochemistry	Planning Your Curriculum	<b>Drop-in Meetings</b> with advisors to update LAP and academic planning. Attendance for a portion of this time is required for course registration by chemistry and biochemistry majors.	Workshop	First year, Second Year, Junior, Senior, Current Majors/Minors.	Chemistry and biochemistry faculty
1:00-1:50	Science Center 101	WiscAMP	Liberal Arts in Practice and Networking	This session is for current and former WiscAMP participants along with anyone else interested in the WiscAMP program. Our program works with minority students interested in a science and/or math degree. Our program is expanding to help students throughout their 4 years here at Beloit. <b>Come out to talk about and listen to the research and mentoring opportunities available.</b>	Conversation	First year, Second Year, Junior.	Nicole Truesdell and Steve Huss-Lederman
1:00-1:50	Science Center 444	Geology	Liberal Arts in Practice and Networking	<b>Call of the Wild!</b> Learn about summer opportunities in Earth and Environmental Sciences, including internships, research experiences, field trips, and field courses.	Conversation	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors.	Rougvie, Mendelson, Swanson, Ballou
1:00-1:50	WAC (World Affairs Center) South Lounge	Comparative Literature	Planning Your Curriculum	<b>Comparative Literature Open House – Everything You Always Wanted to Know about Comparative Literature but Were Afraid to Ask.</b> Drink tea. Eat good snacks. Center)

Health

sign up for a 15 minute slot to talk about whatever's on your mind. Questioning your beliefs? Looking for a faith community? Have recent experiences awakened you spiritually? Under too much stress? Just want to come by and sit quietly for awhile at the end of a busy day? Sign up on the door of the Spirituality Room or text Bill at 608-346-9048.

Junior, Senior.

3:00-3:50	WAC (World Affairs Center), South Lounge	Classics, Art History	Aspiring Beyond Beloit	<b>Grad School Today: The Realities, along with the Pros and Cons</b> Come talk about the realities of graduate school in the Humanities. We will share our experiences and discuss the pros and cons of entering into graduate studies. Professor Kylie Quave may join as well to discuss graduate studies in the Social Sciences. We're also happy to answer questions or concerns about graduate work or the time in between undergrad and graduate school.	Conversation	Junior, Senior.	David Boffa, Lisl Walsh, Matthew Taylor
	MI 109	History, Political Science	Aspiring Beyond Beloit	Thinking about graduate school in history? Want to know about the process of applying and the state of being a grad student? Come to <b>MI 109 ON THURSDAY, October 29 at 10 a.m.</b> to hear the experiences of a recent history/political science double major who is in a PhD program at University of Iowa. All students welcome!	Presentation	Junior, Senior.	Beatrice McKenzie
