We'll also be available right after lunch for advising questions and to discuss any questions you have about majoring in English.	Panel Discussion	First year, Prospective Majors/Minors, Current Majors/Minors.	Francesca Abbate
11:30-12:50	Weeks Lounge/Pearsons	Sociology	Getting to know one another	On your Marx, Get Set, Go! Sociology Speed Networking. Undeclared? Hungry for a connection? Come mingle, have mocktails and pizza with charming sociology majors. Learn how sociology can change your life!	Conversation	Prospective Majors/Minors.	
11:30-12:50	Wright Museum of Art, Logan Room	Studio Art	Planning your curriculum, Getting to know one another	Study Art Lunch Interested in Studio Art Major? Join faculty and current majors/minors for lunch and conversation about the major/minor and upcoming events.	Conversation	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors.	Scott Espeseth, George Williams, Mark Klassen, Jill Kambs
11:30-12:50	Wright Museum of Art, Room 202	Art History	Planning your curriculum, Getting to know one another	Art History Lunch Lunch and everything you wanted to know about Art History's major, minor, study abroad opportunities, and upcoming opportunities to shape the future of Art History at Beloit! Conversation and peer-mentoring with current majors and faculty, ideas about post-Beloit career trajectories, etc.	Conversation	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors.	Joy Beckman and David Boffa
1:00-1:50	GODF 102	Anthropology	Planning your curriculum	All about the Major and Minor Discussion of requirements and the philosophy behind the major and minor. Declare your major/minor and get your card signed during this session!	Presentation	Prospective Majors/Minors.	Shannon Fie & Lisa Anderson-Levy

1:00-1:50	Godfrey 103	Summer Programs, Anthropology, Beloit Blocks, All	Study and work abroad, Planning your curriculum	2018 International Summer Block courses, Cuzco, Peru Exploration and Encounter: The Way to Cuzco (ANTH 275 and WRIT 200). Come hear about two new courses being offered in Cuzco, Peru in summer 2018 by Profs. Chuck Lewis and Kylie Quave. All are welcome.	Presentation	First year, Second Year, Junior.	Kylie Quave, Chuck Lewis, Nuria Sanjuan
1:00-1:50	Library Learning Studio	Library	Honing college and professional skills	Zotero 101 Learn how to use Zotero to manage resources for your research projects. We'll look at ways to populate a Zotero library, organize and edit resources in Zotero, and use word processor plugins to easily cite sources as you write and create properly formatted bibliographies. Feel free to bring your own laptop if you'd like one-on-one help with getting started.	Presentation	First year, Second Year, Junior, Senior.	Josh Hickman
1:00-1:50	MI 208	Political Science, International Relations	Graduate and professional school	POLS/IR Alumni Grad School Panel	Panel Discussion (includes alum/friend of the College)	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors, Current Majors/Minors.	Rachel Ellett
1:00-1:50	MI 213	Education and Youth Studies	Honing college and professional skills, Study and work abroad, Internships and research, Graduate and professional school, Jobs and careers	Developing and marketing Your Brand: Becoming a Professional in K-12 Education - MANDATORY for all 2018 Student Teachers. In this session we will explore how pre-service teachers can articulate their expertise to secure a position in K12 education. From drafting a resume, to developing a portfolio, attendees will consider how to take steps now to secure the sort of position in education they desire upon graduation. We will discuss crafting resumes for jobs in education and the role of action research and the documentation of professional work for employment. Additionally, we will examine the need for pre-service teachers to consider how to develop their brand as educators and how to market themselves to the schools and educative institutions in which they	Presentation	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors.	Ann Frkovich

wish to work.

1:00-1:50	Mathers (Pearsons)	Student Life	Honing college and professional skills, Getting to know one another, Answering the "So what?" question	If you find yourself citing not enough time as the reason that you haven't joined a semester-long Sustained Dialogue group, this session is for you! Join us for an experience of dialogue skills, communication across differences, speaking your truth, and working toward collective action to make this campus a better one for all. After experiencing dialogue through this session, you'll be equipped to make an informed decision on spending 90 minutes a week in a Sustained Dialogue group next semester.	Workshop	First year, Second Year, Junior, Senior.	Sarah Tweedale
1:00-1:50	SC 117	Cognitive Science	Study and work abroad, Internships and research, Graduate and professional school, Planning your curriculum, Getting to know one another	Info Session and Peer Advising in Cognitive Science Come learn about the major/minor if you're considering cognitive science, or if you're a current major/minor, come learn about study abroad, summer programs, and get to know the rest of the students in the program!	Conversation	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors.	Robin Zebrowski
1:00-1:50	SC 131	Physics and Astronomy, Engineering (3:2)	Internships and research	Summer Internships and REUs Want to get an astronomy-, engineering-, or physics-related job this summer? How do you find one? How do you apply? How much will you get paid? Find out in this informative session!		First year, Second Year, Junior.	Britt Scharringhausen
1:00-1:50	SC 150	Economics	Honing college and professional skills, Internships and research, Jobs and careers	Panel Discussion by recipients of the Economics Endowed Internship Awards	Panel Discussion	Prospective Majors/Minors, Current Majors/Minors.	Shatanjaya Dasgupta
1:00-1:50	SC 245	Psychology	Study and work abroad, Internships and research	Summer Experiences and Study Abroad Opportunities in Psychology Psychology students will talk about how they located and benefited from psychology-related internships, summer research experiences, community engagement projects, and study abroad.	Panel Discussion	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors.	Psychology Faculty

1:00-1:50	SC 249	Health and Society	Study and work abroad, Internships and research, Graduate and professional school	Panel of HEAL majors will discuss study abroad, internship, and research experience. Q&A to follow.	Panel Discussion	Prospective Majors/Minors, Current Majors/Minors.	Greg Buchanan, Ron Watson, HEAL faculty
1:00-1:50	SC 340	Biology, Biochemistry	Planning your curriculum	Drop-in advising/submit request for enrollment in Biometrics and Evolution (required); create or update Advising Map (required for declared biology majors)	Workshop	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors.	Biology faculty
1:00-1:50	SC 414	Chemistry, Biochemistry	Planning your curriculum	Drop-in Meetings with advisors to update MAP and academic planning. Attendance for a portion of this time is required for course registration by chemistry and biochemistry majors.	Workshop	First year, Second Year, Junior, Senior, Current Majors/Minors.	Chemistry and biochemistry faculty
1:00-1:50	SC444	Geology, Environmental Studies	Internships and research, Getting to know one another	Come and learn about the variety of research topics that geoscientists pursue. Senior geology majors also present updates on their thesis research.	Presentation	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors.	Swanson, Mendelson, Rougie
1:00-1:50	Science Center 116	Computer Science	Internships and research, Jobs and careers	Getting to Your Career in Computer Science: Finding internships, summer research, and jobs.	Conversation	Second Year, Junior, Senior.	Darrah Chavey
1:00-1:50	Science Center 130	Theatre, Dance and Media Studies	Study and work abroad	International Opportunities for Dancers Come hear students talk about their experiences with dance while abroad. Many types of opportunities will be covered including finding dance even when your study abroad program focuses on something else, dance specific study abroad, special summer dance programs in international settings, doing social justice work through dance while abroad and the best international opportunities for dancers after graduation. We'll have cookies!	Panel Discussion	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors.	Elena Cusack, Adrian Tomby, Chris Johnson
1:00-1:50	Science Center outside main (1st floor) entrance	Studio Art, Chemistry	Getting to know one another, Finding balance and health	Alternative Photo Process Giant Mural Project: Come learn the history, chemistry, and art of one of the oldest photographic processes, the cyanotype photogram, while playing in the sun! Using our bodies and found objects as subject matter, sun for exposure, and water for	Workshop	First year, Second Year, Junior, Senior.	Jill Kamps, Kristin Labby, Scott Espeseth, George Williams

development, participants will make a 9x18 foot mural. The resulting fabric print will be sewn into Victor E. Ferrall, Jr. Artist-in-Residence Amanda Browder's art installation for future display on campus. Workshop participants may also get to make and take away small-scale cyanotypes. All are welcome! Chemistry, biochemistry, and biology students, please be sure to check in with your advisor & update your Advising Map before participating. **In the event of rain the workshop will be cancelled.**

1:00-1:50	The Bunge Studio in the Neese	Theatre, Dance and Media Studies	Honing college and professional skills	Firearms Safety for the Stage with Jim Guy, props master from Milwaukee Repertory Theatre. In the first part we discuss the practical history of firearms, from the invention of gunpowder through the development of automatic weapons. The second part deals with firearms use on stage, starting with pre-production planning with an emphasis on weapon and ammunition choice, and moving through the rehearsal and blocking process to backstage procedure and onstage use and safety. Finally there is a practical demonstration of safety tests for the various weapon types and ammunitions discussed and a question-answer period. (4 hour session lasting from 1:00-5:00)	Presentation	Junior, Senior, Prospective Majors/Minors, Current Majors/Minors.	Marina Bergenstock; Jim Guy
1:00-1:50	WAC North Lounge	Modern Languages and Literatures	Study and work abroad, Planning your curriculum	Center for Language Studies: Why YOU should consider CLS this summer Please join us for a student-led panel about why you should consider taking language classes with CLS at Beloit College during the summer.	Panel Discussion	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors.	Olga Ogurtsova and Nuria Sanjuan
2:00-2:50	Eaton Chapel	Music	Honing college and professional skills, Internships and research, Graduate and professional school,	Forming a Music(al) Community Music students (majors, minors, prospective majors/minors, and participants) are invited to come learn about the department's current and upcoming offerings (including small changes to the curriculum), meet	Conversation	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors.	Daniel Barolsky

			Jobs and careers, Planning your curriculum, Getting to know one another	like-minded colleagues and future collaborators, and discuss the formation of a music student advisory board and other community-building strategies.			
2:00-2:50	Fireplace Lounge (M)	European Studies	Planning your curriculum, Getting to know one another	European Studies Social Hour and Information Session Please join us if you're a current European Studies minor and would like to meet other European Studies students, or if you're interested in learning more about how the minor works and what it has to offer!	Conversation	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors.	Daniel Brueckenhaus
2:00-2:50	GODF 102	Anthropology	Getting to know one another, Finding balance and health	Senior Moments: Reflections on Senior Experiences Senior student panel discusses the things that worked for them, as well as things that did not, in the pursuits of their anthropology degrees.	Panel Discussion	First year, Second Year, Junior.	Jennifer Esperanza, Jason Alley, and Senior Students

Participants will be given ample time to ask questions and share their concerns with panelists.	Panel Discussion	Low Income Students, First year, Second Year, Junior, Senior.	Paul Dionne, Marijuana Sawyer
3:00-3:50	SC 117	Health and Wellness	Honing college and	How to be sick (and then well again!) at	Conversation	First year, Second Year,	Tara Girard, Shannon Jolly

		Center, Office of International Education	professional skills, Finding balance and health, Answering the "So what?" question	Beloit College We've all been there. You wake up on Monday morning and you feel terrible. You know you are getting sick! What do you do? Where do you go? How much will it cost? This session will review the steps from the moment you get sick until you get your final bill from the doctor's office. We will address your options for when and where to go for health care at Beloit College and in the city of Beloit, how billing and insurance work, Beloit and U.S. Healthcare culture, and tips for managing your academic responsibilities.		Junior, Senior.
