Matt Porter, TDMS faculty and staff
11:30-12:50	Fireplace Lounge	History	Honing college and professional skills, Study and work abroad, Getting to know one another	Soup Lunch and Conversation with Faculty Join faculty and friends for food, conversation, and ad hoc advising. Faculty will describe next semester's courses and students will describe their off-campus study experiences.	Conversation (includes alum/friend of the College)	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors, Current Majors/Minors.	Beatrice McKenzie, Rob LaFleur, , Ellen Joyce, Daniel Brückenhaus, Justin Pope
11:30-12:50	Godfrey Lobby	Anthropology	Getting to know one another	Lunch with the Anthropologists	Conversation	Current Majors/Minors.	Anthropology Faculty & Staff
11:30-12:50	MI 108	Religious Studies	Internships and research, Getting to know one another, Answering the "So what?" question	Living at the Crossroads: Citizenship on Campus and Beyond 11:30-12:50 Join Professors Natalie Gummer, Sonya Maria Johnson, and Debra Majeed and RLST majors and minors for good pizza and conversation about how to translate religious studies content into strategies for ethical living while on campus and in your post-Beloit career. Regina Dunkin, media coordinator with Beloit Health Systems, will share a variety of opportunities for students to work with children, seniors, and families. Lily Zeich '15 will discuss her work as a ministry assistant at Lutherdale Bible Camp as she prepares for graduate study in the fall at Lutheran Theological Seminary in Chicago. A sneak peek at 2017-18 RLST offerings will also be available. Everyone welcome!	(includes alum/friend of the College)	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors, Current Majors/Minors.	
11:30-12:50	MI Richardson	Political Science, International Relations	Planning your curriculum, Getting to know one another	Lunch for current and prospective POLS/IR majors and minors , with discussion of POLS courses for the fall, with alums here for following panel	Conversation	First year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors.	John Rapp and POLS faculty
11:30-12:50	Pearson Hall: Mathers A/B	Sociology	Graduate and professional school, Jobs and careers	Inside the Sociologists' Studio: Academic and Career Pathways of 10 Sociology Alums. Please join us for a panel discussion with 10 sociology alums about their lives and career pathways while at Beloit and after graduation. There will be 5 varieties of pizzas, delicious cookies, and other treats. Stay after the discussion to meet and network with alums.	Panel Discussion (includes alum/friend of the College)	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors, Current Majors/Minors.	Sociology Department faculty
11:30-12:50	SC 301	Biology, Biochemistry	Planning your curriculum	Biology and Biochemistry lunch and peer advising	Conversation	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current	Bio and Biochem faculty

Majors/Minors.							
11:30-12:50	SC 302	Biology, Biochemistry	Planning your curriculum	Biology and Biochemistry lunch and peer advising	Conversation	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors.	Bio and Biochem faculty
11:30-12:50	SC 349	Biology, Biochemistry	Planning your curriculum	Biology and Biochemistry lunch and peer advising	Conversation	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors.	Bio and Biochem faculty
11:30-12:50	SC 402	Health Professions, Biochemistry, Biology, Chemistry	Graduate and professional school	Lunch and informal discussion with Dr. Matt Knutson ('95) and Michael Kreiser ('13)	Conversation (includes alum/friend of the College)	First year, Second Year, Junior, Senior, Current Majors/Minors.	Ted Gries
11:30-12:50	SC 414	Chemistry	Planning your curriculum	Lunch with alum Orion Pearce ('14) and peer advising for Chemistry, Applied Chemistry, Biological Chemistry, Environmental Chemistry. Some assembly required for lunch at noon.	Workshop (includes alum/friend of the College)	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors, Current Majors/Minors.	Kevin Braun and George Lisensky
11:30-12:50	SC 444	Geology, Environmental Studies	Planning your curriculum, Getting to know one another	Pizza and Peer Advising in Geology and Environmental Studies: Come learn about Geology and Environmental Studies courses that will be offered in Fall 2017. Senior geology and environmental studies majors will give advice, and pizza will be eaten by all!	Conversation	First year, Second Year, Junior, Prospective Majors/Minors, Current Majors/Minors.	Senior geology and environmental studies majors, Sue Swanson, Carl Mendelson
11:30-12:50	Science Center 201	Health and Society	Jobs and careers	Lunch with HEAL faculty while Skyping with HEAL alums	Conversation (includes alum/friend of the College)	Prospective Majors/Minors, Current Majors/Minors, Current Majors/Minors.	Greg Buchanan
11:30-12:50	Science Center 202	Cognitive Science	Planning your curriculum, Getting to know one another	Peer Mentoring Lunch This is the primary session this year for learning about opportunities around courses, study abroad, graduate school, and beyond. You'll get a chance to eat some lunch, get to know the other Cog Sci majors, and think about what you want to do with your cognitive science knowledge! I'll talk a bit about REUs, study abroad, and graduate school, but I'm mostly here to answer questions to help you plan your life! This is primarily for declared majors, but students who are seriously considering a cognitive science major are entirely welcome to attend and benefit from the peer mentoring available. Come learn about the major and what it has to offer!	Conversation	Prospective Majors/Minors, Current Majors/Minors.	Robin Zebrowski
11:30-12:50	Science Center Room 131	Engineering (3:2), Physics and Astronomy	Planning your curriculum	Nothing says engineering quite like pizza . Join your peers for <i>lunch</i> and a chance to check up on 3+2 <i>requirements</i> and <i>scheduling</i> and <i>opportunities</i> , as well as being able to listen to a few anecdotes about those who have gone on before. All 3+2 engineering students and physics majors are welcome!	Conversation	Prospective Majors/Minors, Current Majors/Minors.	Paul Stanley
11:30-12:50	WAC North Lounge	Modern Languages and Literatures	Jobs and careers	Language and Professional Educators Curious about what it might be like to be a professional educator with a background in languages? Join us for tamales from Coco's Tamales and learn how local professional educators and Beloit alumni have put their Beloit liberal arts education into practice.	(includes alum/friend of the College)	Prospective Majors/Minors, Current Majors/Minors, Current Majors/Minors.	Amy Tibbitts
11:30-12:50	WAC South Lounge	Classics	Study and work abroad,	Classics Lunch - Italian food (pizza, pasta) and desserts (cannoli) with a side order of everything you wanted to know about the	Conversation	First year, Second Year, Junior, Senior,	Kosta Hadavas, Lisl Walsh, Matthew Taylor

			Getting to know one another	Classics Department's two majors, one minor, study abroad opportunities, Department-sponsored funding for majors studying abroad, conversation with current majors and faculty, ideas about post-Beloit career trajectories, etc.		Prospective Majors/Minors, Current Majors/Minors.	
11:30-12:50	Weeks Lounge (Pearsons)	Critical Identity Studies	Planning your curriculum, Getting to know one another	CRIS Majors/Minors Lunch	Conversation	Current Majors/Minors.	Catherine Orr and M. Shadee Malaklou
11:30-12:50	Wright Museum Courtyard	English	Graduate and professional school, Jobs and careers, Getting to know one another, Answering the "So what?" question	Enjoy tamales with the English Department! We'll also be hosting a concurrent panel about putting the liberal arts into practice after Beloit with visiting alums. A reminder: this is also a great time to talk with your advisors!	Panel Discussion (includes alum/friend of the College)	Prospective Majors/Minors, Current Majors/Minors, Current Majors/Minors.	Francesca Abbate
11:30-12:50	Wright Museum of Art, Room 202	Art History	Study and work abroad, Planning your curriculum, Getting to know one another	Art History Lunch Sandwiches, chips and fresh, warm baked cookies -- and everything you wanted to know about Art History's major, minor, study abroad opportunities, and upcoming opportunities to shape the future of Art History at Beloit! Conversation and peer-mentoring with current majors and faculty, ideas about post-Beloit career trajectories, etc.	Conversation (includes alum/friend of the College)	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors, Current Majors/Minors.	Jo Ortel, Joy Beckman, David Boffa
1:00-1:50	GODF 102	Anthropology	Honing college and professional skills, Jobs and careers	The Art of the Academic Hustle: Finding Opportunities to Make the Most of Your Summer Break	Conversation	Current Majors/Minors.	Jennifer Esperanza
1:00-1:50	MI Richardson	Political Science, International Relations	Jobs and careers	Running Campaigns and Running for Office: Views from 4 Alums and 1 Current Student	Panel Discussion (includes alum/friend of the College)	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors, Current Majors/Minors.	John Rapp and POLS faculty with 4 alums and 1 current student
1:00-1:50	Morse Library, North Lounge	Library	Graduate and professional school, Jobs and careers, Getting to know one another	Curious about a career in libraries or archives? Join the conversation with alumni about the different types of work possible and what it takes to get there. The session will be an engaging student-centered opportunity to connect current Beloit students and Beloit alumni who are currently working in the field of librarianship and/or archives. Alumni include: Laura Damon-Moore'08, Christina Czuhajewski'09, Cameron Cook'11, and Andrew Epps'15.	Conversation (includes alum/friend of the College)	First year, Second Year, Junior, Senior, Current Majors/Minors.	Meghan Dowell
1:00-1:50	Presidents Lounge-Chapin	Education and Youth Studies	Honing college and professional skills, Planning your curriculum, Getting to know one another	Information Session for 2017 Student Teachers. 2017 Student teachers come and get information about student teaching placements, testing and student teaching procedures	Presentation	2017 Student Teachers.	Jingjing Lou, Bob Fitzsimmons
1:00-1:50	SC 116	Mathematics, Computer Science	Jobs and careers	How to Get a Job at Google or Amazon (or Both): My Circuitous Journey to Software, Todd O'Bryan '92 I'll tell you how I went from being *a Mathematics and Music major at Beloit, to *a Spanish teacher as part of Teach for America, to *a Ph.D. student in theoretical linguistics, to *a high school mathematics and computer	Presentation (includes alum/friend of the College)	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors, Current Majors/Minors.	Paul Campbell

science teacher, to
 *my latest jobs as a software engineer for
 Google and Amazon.

1:00-1:50	SC 131	Physics and Astronomy	Planning your curriculum, Getting to know one another	Majoring in Physics Plan your four years as a physics major. What courses will you take, and when? How do study abroad and internships fit in?	Conversation	First year, Second Year, Prospective Majors/Minors.	Britt Scharringhausen
1:00-1:50	SC 202	Cognitive Science	Study and work abroad, Internships and research, Graduate and professional school, Planning your curriculum, Getting to know one another	Continuing the Conversation If you still have questions about courses, summer opportunities, graduate school, etc. after our lunch discussion, come on by for an informal conversation where Robin will help guide you toward appropriate resources and answer remaining questions!	Conversation	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors.	Robin Zebrowski
1:00-1:50	SC 245 (Psychology Classroom)	Psychology	Graduate and professional school	Graduate School Options for Psychology Majors Faculty and recent graduates will present information and offer advice about how to prepare for and apply to master's and Ph.D. programs in Psychology and related fields.	Conversation (includes alum/friend of the College)	Current Majors/Minors, Current Majors/Minors.	Larry White and alumni
1:00-1:50	SC 249	Economics	Planning your curriculum	An introduction to the Economics Majors with a Roadmap through Beloit and Beyond	Presentation	Prospective Majors/Minors, Current Majors/Minors.	Laura Grube
1:00-1:50	SC 301	Liberal Arts in Practice	Jobs and careers, Answering the "So what?" question	Year of Service Panel Discussion Each year, around 10% of Beloit College graduates participate in year of service programs, to gain experience in a field and contribute to a cause near and dear to their hearts. If you're anticipating applying for a year of service program, or want to learn more about real experiences with post-Beloit service, come and learn from three panelists who have served in education, health, and more! Includes panelists: Ally Snell '03, (Peace Corps and AmeriCorps), Jessica Rardin '13 (City Year and College Possible), Robin Kanemoto '16 (AmeriCorps), and Josh Moore (AmeriCorps).	Panel Discussion (includes alum/friend of the College)	First year, Second Year, Junior, Current Majors/Minors.	Jessica Fox-Wilson
1:00-1:50	SC 340	Biology, Biochemistry	Planning your curriculum	Biometrics enrollment requests: requests are required for, but do not guarantee, enrollment in Biometrics	Conversation	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors.	Ken Yasukawa
1:00-1:50	SC 341	Biology, Biochemistry	Planning your curriculum	Biology and Biochemistry dessert: Advising sessions and senior bake-off	Conversation	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors.	Rachel Bergstrom
1:00-1:50	SC 414	Chemistry, Biochemistry	Planning your curriculum	Drop-in Meetings with advisors to update LAP and academic planning. Attendance for a portion of this time is required for course registration by chemistry and biochemistry majors. Organic Chemistry I enrollment requests are required for, but do not guarantee, enrollment in the course.	Workshop	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors.	Chemistry and biochemistry faculty
1:00-1:50	SC 444	Geology, Environmental Studies	Honing college and professional skills, Graduate and	Geology and Environmental Studies Alumni Panel: Evan Mascitti '12 and Liz Ceperley '12 will discuss their experiences as Environmental Geology majors and how their time at Beloit College influenced their career paths. Evan holds a masters degree in soil	Panel Discussion (includes alum/friend of the College)	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current	Sue Swanson, Carl Mendelson

			professional school, Jobs and careers, Getting to know one another, Answering the "So what?" question	science and manages the playing field for the Pittsburgh Pirates. Liz holds a masters degree in glacial geology and is now pursuing a PhD, also in glacial geology, at the University of Wisconsin-Madison.		Majors/Minors, Current Majors/Minors.	
1:00-1:50	SC201	Office of Academic Diversity and Inclusiveness	Honing college and professional skills, Jobs and careers	Navigating Beloit and Beyond as a Low Income Student: Join a panel of Beloit alums and current students as they describe tips and strategies for successfully navigating Beloit and beyond for low income students. Panelists will share challenges and opportunities they faced and how they made the most of them.	Panel Discussion (includes alum/friend of the College)	First year, Second Year, Junior, Senior, Current Majors/Minors.	Paul Dionne
1:00-1:50	Science Center Room 117	Health and Society, Theatre, Dance and Media Studies, Studio Art, Music, Psychology	Graduate and professional school, Jobs and careers	Alumna Liz Freeman , who is finishing her graduate work in Movement Therapy by interning at NiCoE, part of the Walter Reed Medical Center, as a Movement Therapist alongside other Creative Arts and Music therapists doing group and individual therapy with active special ops soldiers (Navy Seals and Army Rangers) who are recovering from traumatic brain injuries, will talk about her post-Beloit trajectory (especially highlighting the decision to go back to school, preparing herself for that and her internship experiences in grad school as well as the post grad school job transition) and then engage in some Q & A. Before NiCoE she was working at ChOICE Academy with adolescents with a trauma history for three years. First as a behavior interventionist and then as a clinician/cas	Presentation (includes alum/friend of the College)	Students interested in working in movement therapy and all areas of arts therapy, First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors, Current Majors/Minors.	Liz Freeman and Chris Johnson
1:00-1:50	Spirituality Room	Health and Wellness Center, Spiritual Life	Finding balance and health	Mindfulness and Anti-Oppression Research has strongly linked the practice of mindfulness to improved health and well-being, across all social identities. However, the mainstream mindfulness movement is often critiqued for privileging white middle class people and excluding people of color and/or low socioeconomic status. Campus guest Lama Rod Owens will explore this critique and offer a set of mindfulness tools centered on well-being, healing and anti-oppression. A Black, queer, male Buddhist teacher in the Tibetan Kagyu lineage, Lama Rod teaches to include people of any religious identity, and those of no religious identity. Go to lamarod.com/about for more info.	Workshop	First year, Second Year, Junior, Senior.	Lama Rod Owens (see lamarod.com for more info)
1:00-1:50	WAC 206	All	Study and work abroad, Jobs and careers	Want to travel after you graduate? Here's how to get it paid for! Join us for a brief presentation and Q&A about post-graduate fellowships that Beloit can help you apply for, with a primary emphasis on the Fulbright Award . The U.S. government wants to fund travel for graduating students to teach/study/research in countries all over the world, and this session is the first step in planning to apply for (and win!) one of these awards. Since students typically apply in October of their senior year, this information will be of utmost relevance to Juniors, but students at all levels are encouraged to attend, as well as any faculty who would like to know more about the program and the on-campus process. It is never too early to begin plan	Presentation	Faculty, First year, Second Year, Junior, Senior.	Matthew Taylor, Rachel Ellett
1:00-1:50	WAC North Lounge	All	Honing college and professional skills, Jobs and careers	Optimize Your Language Skills on your Resume: Bring your resumé to this workshop and have the Modern Languages and Literatures' faculty work with you to best represent and highlight your language skills on this professional document. We will demonstrate how to accurately portray what you have learned throughout your language studies and talk about why your language	Workshop	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors.	ML&L Faculty

skills matter. We can show you how to best express why being bilingual (or more) makes you a better candidate for a job or internship. In order to guarantee your spot in this workshop go to <https://modernlanguagesbeloit.youcanbook.me> and schedule a time. If you don't get around to signing up, please drop in!

1:00-1:50	Weeks Lounge, Pearsons Hall	Office of International Education, Liberal Arts in Practice	Study and work abroad, Jobs and careers	Alumni Panel: Study Abroad and Careers. According to a large-scale survey of employers, skills developed through study abroad are highly attractive in job candidates. These include adaptability, flexibility, ability to negotiate difference and tolerate ambiguity, independence, critical thinking, self-knowledge and self-confidence. Learn from alumni about the role study abroad has played in their career development.	Panel Discussion (includes alum/friend of the College)	First year, Second Year, Junior, Senior, Current Majors/Minors.	Betsy Brewer, director, Office of International Education
2:00-2:50	GODF 102	Anthropology	Jobs and careers	Applying Anthro Beyond Beloit: Meet Ally Snell'03	Conversation	Prospective Majors/Minors, Current Majors/Minors.	Ally Snell'03
2:00-2:50	MI 213	History	Graduate and professional school, Jobs and careers	History Alumni/ae Panel: A panel of alumni/ae will speak about their careers and the professions that followed their study of History at Beloit; there will also be time for questions and discussion. The speakers will include practitioners in the fields of law, teaching, genealogy, and public policy, as well as a an alumnus who earned a doctorate in history but now advises others on alternatives to academic careers.	Panel Discussion (includes alum/friend of the College)	Students with an interest in Law School, Education, Government Service, or Doctoral Studies, First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors, Current Majors/Minors.	Ellen Joyce and Beatrice McKenzie
2:00-2:50	Morse-Ingersoll Fireplace Lounge	Philosophy, Cognitive Science	Planning your curriculum, Getting to know one another	Philosophy Ice Cream Social - Join the philosophy faculty to hear about next semester's course offerings and to mingle with other students interested in philosophy. There will be sprinkles.	Conversation	All students.	Phil Shields, Matt Tedesco, Heath Massey, Robin Zebrowski
2:00-2:50	Ousley Conference Room (1st floor of South College)	Office of Academic Diversity and Inclusiveness	Graduate and professional school, Getting to know one another	Current and newly admitted GSEF fellows, drop by the OADI to meet each other and learn more about the program. The 2016 cohort just learned about their summer research placements; the 2017 cohort is in the process of selecting mentors. Snacks and beverages will be provided.	Conversation	Recipients of the Graduate School Exploration Fellowship (GSEF).	Dr. Jesse Carr
2:00-2:50	SC 116	Computer Science	Planning your curriculum	Are you considering a Computer Science major or minor? This session will discuss courses to take, how to plan your course of study, options for study abroad & internships, and general questions about computer science.	Conversation	First year, Second Year, Prospective Majors/Minors.	Darrah Chavey
2:00-2:50	SC 150	Liberal Arts in Practice, Athletics	Jobs and careers, Answering the "So what?" question	More than a Game: The Impact of Varsity Athletics in a Career Many people, from parents to professors, coaches to employers, rave about the benefits of participating in varsity athletics. But how does it work in real life? How does a current or former athlete talk about experiences in sports, in a way that applies to future opportunities in graduate school or professional work? Learn from alumni in a variety of fields as they share their experiences as athletes in the post-college world. <i>Featuring alumni: Evan Mascitti '12, Eddie Limon '89, Kim Stein '96, and DeVon Wilson '90</i>	Panel Discussion (includes alum/friend of the College)	Athletes, First year, Second Year, Junior, Senior, Current Majors/Minors.	Jessica Fox-Wilson
2:00-2:50	SC 202	Physics and Astronomy	Graduate and professional school, Jobs and careers	Physics Alumni Panel	Panel Discussion (includes alum/friend of the College)	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current	Patrick Polley

							Majors/Minors, Current Majors/Minors.
2:00-2:50	SC 212	Mathematics	Graduate and professional school, Jobs and careers	What is an actuary? Requirements, rewards, frustrations, and satisfactions of becoming one by Daryl Schrader '84 F.S.A.	Presentation (includes alum/friend of the College)	Prospective Majors/Minors, Current Majors/Minors, Current Majors/Minors.	Paul Campbell
2:00-2:50	SC 240 (Psychology Commons)	Psychology	Getting to know one another	Tea and Cookies with Psychology Faculty, Alumni, and Students While sipping and munching, we'll talk informally about the PSYC major, research opportunities, study abroad programs, internships, and careers.	Conversation (includes alum/friend of the College)	Prospective Majors/Minors, Current Majors/Minors, Current Majors/Minors.	Psychology faculty and alumni
2:00-2:50	SC 349	Biology, Biochemistry	Internships and research, Graduate and professional school, Jobs and careers	Biology and Biochemistry Alumni Panel: So, what about after Beloit?	Panel Discussion	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors.	Ken Yasukawa
2:00-2:50	SC-117	Office of International Education	Study and work abroad	I'm an international student. Why would I study abroad? Study abroad and domestic off-campus study both offer an academic experience that is different from the experience you have as a degree-seeking student from outside the U.S. Talk with OIE staff and with Beloit College international students who have participated in various types of off-campus study opportunities to learn about their experiences preparing to study off campus, being off campus and returning to Beloit. Discover why, as an international student, you can and should make off campus study a part of your Beloit College plan.	Panel Discussion	International Students, First year, Second Year.	OIE Staff
2:00-2:50	Science Center 201	Learning Enrichment and Disability Services	Honing college and professional skills	Functional Beloitening: Alumni panelists from a variety of backgrounds, majors, and current roles will speak on general life skills they learned or honed in college and how they applied and were important to their success in their work and personal lives after college. Panelists include Dave Stauffacher '98, Martin Gleason '97, and Greg Ehrendreich '97.	Panel Discussion (includes alum/friend of the College)	First year, Second Year, Junior, Senior, Current Majors/Minors.	Hillary Kon, Learning Assistant - Academic Enrichment Activities
2:00-2:50	Spirituality Room	Spiritual Life	Finding balance and health, Answering the "So what?" question	Spiritual Advising Drop by the Spirituality Room to talk with Bill Conover about whatever's on your mind.	Conversation	First year, Second Year, Junior, Senior.	Bill Conover
2:00-2:50	WAC NORTH LOUNGE	Modern Languages and Literatures, Health and Society	Honing college and professional skills, Study and work abroad, Jobs and careers	"Putting Your Spanish-Language Skills into Practice in Health Fields" Alumnas Amanda Mehl '06, RN, MPH, Doula, and Diana Gutierrez-Meza '13, MPH, will speak about their careers in public health, the skills they honed and the experiences they took advantage of while at Beloit, and the paths they took to get where they are now in their careers. In addition to talking about the benefits they accrued from studying and conducting research abroad, they will also address the importance of knowing foreign languages and understanding Hispanic/Latin American cultures.	Panel Discussion (includes alum/friend of the College)	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors, Current Majors/Minors.	Sylvia Lopez, HEAL
