

Spring Advising Practicum, March 29, 2019

9:00-10:20 **Initiatives Workshops** for first year students.

4:00- 5:30 **Networking with Professionals:** *An opportunity for students to practice networking with alumni, faculty, staff, and others,*
Science Center Atrium

Selected Events

All Events for All Departments, Programs, Offices, Channels or All Themes

Time Block	Location	Department Program or Office	Theme	Title	Type	Audience	Facilitators
09:00-10:20	Chemistry Faculty Offices	Biochemistry, Chemistry	Planning your curriculum	Individual Advising Appointments Plan for fall 2019. Communicate with your faculty adviser prior to Advising Practicum Day to schedule an appointment.	Conversation	Current Majors/Minors.	Ted Gries, Laura Parmentier, Kristin Labby
10:30-11:20	Biology Faculty Offices - 3rd Floor Science Center	Biology, Biochemistry	Honing college and professional skills, Study and work abroad, Internships and research, Graduate and professional school, Jobs and careers, Planning your curriculum, Getting to know one another	Meet with Biology Faculty! Questions about courses? Do you want to declare a biology major? Do you need to complete the LAP form to graduate? Do you need to update your advising map (https://chem.beloit.edu/majors/)? Biology faculty have reserved this time for drop-in appointments. Please come by to get your questions answered!	Conversation	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors.	Biology faculty
10:30-11:20	Chemistry Faculty Offices	Biochemistry, Chemistry	Planning your curriculum	Individual Advising Appointments Plan for fall 2019. Communicate with your faculty adviser prior to Advising Practicum Day to schedule an appointment.	Conversation	Current Majors/Minors.	Ted Gries, Laura Parmentier, Kristin Labby
10:30-11:20	Pearsons Conference Room 3	Learning Enrichment and Disability Services	Honing college and professional skills	Do you know how to write a formal email to a professor or properly format papers in Google Docs? Or maybe you want to learn a note-taking technique that would work better for your learning style. Come learn these as well as other simple, yet often overlooked, techniques that every student should know in college. Students will practice these techniques during the workshop, so be sure to bring a laptop and a pen/pencil and paper.	Presentation	First year, Second Year, Junior.	Lydia Wilson
10:30-11:20	SC 117	Engineering (3:2)	Graduate and professional school, Planning your curriculum	Planning for the transition to engineering school either after graduation from Beloit or through the 3-2 engineering program	Presentation	Prospective Majors/Minors, Current Majors/Minors.	Patrick Polley

10:30-11:20	SC 245	Psychology	Planning your curriculum	Group advising for new and prospective Psychology majors Join Kristin Bonnie, chair of Psychology, for an informational discussion about the major. Chart your course for next year. Hear from PSYC majors that have studied off-campus.	Conversation	First year, Second Year, Prospective Majors/Minors.	Kristin Bonnie
10:30-11:20	SC 413	Chemistry, Biochemistry	Planning your curriculum	Update Your Advising Map (chem.beloit.edu/majors) The chemistry department uses information from the advising map system to plan future course offerings. An updated advising map is required for course registration authorization by chemistry and biochemistry faculty.	Workshop	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors.	Ted Gries
11:30-12:50	703 Park Ave	Art History	Planning your curriculum, Getting to know one another	Luncheon for Art History Majors and Minors	Conversation	Prospective Majors/Minors, Current Majors/Minors.	Joy Beckman and Jo Ortel
11:30-12:50	Godfrey	Anthropology, Critical Identity Studies	Getting to know one another	Anthropology and CRIS lunch	Conversation	Current Majors/Minors.	
11:30-12:50	Godfrey	Anthropology, Critical Identity Studies	Getting to know one another	Lunch and Mentorship. Anna Maria's! and Kula Ring Peer-Mentoring!	Conversation	Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors.	
11:30-12:50	Mathers	Sociology	Graduate and professional school, Jobs and careers	Sociology Alum Panel If you are interested in a career in law, medical communications/journalism, business/non-profit, or academia, please join us for a conversation with 1 attorney, 1 communications specialist, 1 organizational dynamics-change management professional, and 1 assistant professor. Hear what they have to say about the day-to-day tasks of their jobs, what makes their work meaningful, their career trajectories, and how to apply and navigate law school or graduate school (either M.A. or Ph.D).	Panel Discussion (includes alum/friend of the College)	Prospective Majors/Minors, Current Majors/Minors, Current Majors/Minors.	Sociology Department
11:30-12:50	Morse Ingersoll Fireplace Lounge	History	Study and work abroad, Planning your curriculum, Getting to know one another	Homemade soup lunch (including gluten-free and vegan options). Come share a meal with your professors and fellow History majors and minors, find out what it's like to be a History student at Beloit, and hear about opportunities to "do history" in the classroom, though Study Abroad, and with internships! All are welcome--bring your appetite for soup and for history!	Conversation	Prospective Majors/Minors, Current Majors/Minors.	Ellen Joyce

Modern Language and Literatures Faculty

careers,
Answering
the "So
what?"
question

Applying and Interviewing for Jobs

This mixed faculty and student panel discussion will focus on tips and tricks about how to tell your future employer why your language and literary studies matter, even if the position does not require another language. After the panel, faculty members will be on hand to help students revise résumés. So, whether you are applying for summer internships or on the job market, bring your résumé for advice!

11:30-12:50	Richardson Auditorium	International Relations, Political Science	Graduate and professional school	Graduate study in IR and POLS: Social mixer.	Conversation (includes alum/friend of the College)	Junior, Senior, Prospective Majors/Minors, Current Majors/Minors, Current Majors/Minors.	Rachel Ellett
11:30-12:50	SC 131	Physics and Astronomy, Engineering (3:2)	Getting to know one another	Physics and Engineering Lunch Meet and greet your faculty and fellow students. Bring your questions about majoring in Physics and Engineering! Pizza provided.	Conversation	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors.	Britt Scharringhausen, Patrick Polley, and Obioma Ohia
11:30-12:50	SC 245	Psychology		12:30-1:00: Dessert with Psychology Join us for dessert and casual conversation prior to the afternoon session.	Conversation	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors.	Psychology
11:30-12:50	SC 249	Health and Society	Internships and research, Graduate and professional school, Jobs and careers, Getting to know one another	12 - 1. Stop by for lunch with HEAL faculty and alums to discuss course selections, graduate school, life after Beloit. Vegan option available.	Conversation (includes alum/friend of the College)	Prospective Majors/Minors, Current Majors/Minors, Current Majors/Minors.	Greg Buchanan, Suzanne Cox, Ron Watson
11:30-12:50	SC 302	Biochemistry	Honing college and professional skills, Study and work abroad, Internships and research, Graduate and professional school, Jobs and careers, Planning your curriculum, Getting to know one another, Finding balance and health,	Advising Lunch Biochemistry students and faculty will be available for informal advising. Meet other students interested in biochemistry. Ask questions about courses, research/internship opportunities, and study abroad. What should you take next semester?	Conversation	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors.	Ted Gries

			Answering the "So what?" question				
11:30-12:50	SC 349	Biology, Biochemistry	Planning your curriculum, Getting to know one another	Biology Lunch and Learning about the New Majors! Join biology faculty and students for conversations about the new majors and completing the old majors. Many students have questions about requirements and future course offerings. This is the time and place to get those questions answered!	Conversation	First year, Second Year, Junior, Senior, Prospective Majors/Minors, Current Majors/Minors.	Biology faculty
