

Name (preferred form) _____ Graduation Date _____

Preferred Pronouns:

she/her/hers

he/him/his

they/them/theirs

something else: _____

depends on the day

1. What potential major(s) are you considering or have you declared?
2. Here you are in a biochemistry course. What interests you in nutrition and/or metabolism?
3. Can you image becoming a biochemist or working with biochemistry in your future?
4. Do you know a living biochemist or can you name one from pop culture?
5. Besides this awesome biochemistry class this semester, what classes are you taking?
6. What activities (sports, clubs, jobs, etc.) are you doing this semester?

Please rate the following

In groups, I like to talk: Not at all – 1 2 3 4 5 6 7 8 9 10 – All the time

In groups, I like to lead: Not at all – 1 2 3 4 5 6 7 8 9 10 – All the time

The ideal group size to me is: 2 3 4 5 6 or I don't like groups
